

UDPSocket::disconnect

```
graph LR; A[UDPSocket::disconnect] --> B[CommunicatingSocket::connect]; B --> C[fillAddr];
```

A flowchart with three rectangular boxes connected by blue arrows. The first box on the left is gray and contains the text 'UDPSocket::disconnect'. A blue arrow points from its right side to the second box in the middle, which is white and contains 'CommunicatingSocket' on the top line and '::connect' on the bottom line. Another blue arrow points from the right side of the second box to the third box on the right, which is white and contains 'fillAddr'.

CommunicatingSocket
::connect

fillAddr
